## Miss You Phish

- V1 You're smiling at me, from your picture frame, and I miss you
  My life keeps on changing, but you stay the same, and I miss you
  So many moments, that we should have shared, I miss you
  And the days turn to years, and it hasn't stopped yet The memories we shared, I will never forget
  No I will never forget
- There's a hole in my heart, that'll never be filled, I miss you
  This all should get easier, but it never will, I miss you
  I float through the days, and the long lonely nights, I miss you
  And I hear your footsteps, you're coming down the stairs
  Lost in your laughter, the sun in your hair
  A brief recollection, the light in your eyes,
  I see the reflection, but it passes by
  It passes me by
- Solo (solo over bridge chords)
