**V1** Over on the big blue ocean

> was a storm raging on a cold grey sea Tossing and turning and generally yearning for a cool cool breeze under a shady tree Was the second on the first boat off the dock trying to keep the third mate from going into shock

Saying one plus one and two plus two

its gotta make a difference when I look at you

Throw me some shelter and I'll roll you some one Chorus

Throw me the loose and I'll bring up the line

Throw me some shelter and I'll roll you some wine

V2 Looking up at the stars up above

there was one bad mother bearing down on me

So I had a little talk with the man upstairs

he said his old lady would see me for a nominal fee

I had a good look at the nature of the deal when the words emerged that made it real

One plus one, two plus two,

gotta make a difference when I look at you

**CHORUS** 

Break

Had a little bit of a commotion when the captain thought the ocean did two U-turns Bridge

It was nothing but the boat going around and around and around and around and

**V3** Over the mountain past the valley

back where we started out near the great divide

Eight billion souls grooving along or at least navigating a bumpy ride

One plus one, two plus two,

gotta make a difference when I look at you
