# Samson and Delilah

Grateful Dead

Key: G  
Tempo: 130  
Vocals: JM

G C G  
If I had my way, I would tear this old building down.

V1 G C G  
Delilah was a woman, she was fine and fair,  
G D G  
She had good looks, God knows, and coal black hair,  
G C G  
Delilah she gained old Samson's mind.  
G D G  
When first he saw this woman, she looked so fine.

Delilah she climbed up on Samson's knee,  
Said tell me where your strength lies if you please.  
She spoke so kind and she talked so fair,  
Well Samson said, Delilah cut off my hair.  
You can shave my head, clean as my hand  
And my strength will become as natural as any old man.

Chorus G C G  
If I had my way,  
G D G  
if I had my way,  
G C  
if I had my way,  
G  
I would tear this old building down.

V2 You read about Samson, all from his works,  
He was the strongest man that ever had lived on earth.  
One day when Samson was walking along,  
Looked down on the ground, he saw an old jawbone.  
He stretched out his arm, God knows, chains broke like thread,  
When he got to moving, ten thousand was dead.

Chorus

V3 Now Samson and the lion, they got in a tack,  
Samson he crawled up on the lion's back.  
You read about this lion, he killed a man with his paws,  
But Samson got his hands around that lion's jaws.  
He ripped the beast till he killed him dead.  
The bees made honey in the lion's head.

Chorus

Ending Chorus > Lead > Drums > Chorus > "I will tear.." > Drum > Chorus

Vocals: JM

Form | : G C | G D : |

**Chorus** Mercy mercy me I believe I do decree  
There ain't gonna be no raindrops anymore  
The weather may be bad but that don't make me sad  
One day the sun will shine on my backdoor

**V1** Sometimes it gets twirled, good and bad in this old world  
It's tough to see the future from the past  
Decisions may be blind, if you ain't got the time  
The night is coming and daylight's burning fast

**Chorus**

**V2** I ain't gonna stop, 'till I end up on top  
Of every pile, that gets piled in front of me  
Through the rain and the pain, just like a hurricane  
I'll keep an eye as far as I can see

**V3** So I'll climb up that hill while the world keep turnin' still  
And the clouds pass with the rain just like before  
The blue skies will be bright and the stars will shine all night

But there seems to be a beat now, I can feel it in my feet now, listen here it comes again!

G                    D (6/8) E (6/8)                    A (4/4)  
We forgot      about the time.

V3      They're a band beyond description, like Jehovah's favorite choir.  
People joining hand in hand while the music played the band.  
Lord, they're setting us on fire.  
Crazy rooster crowin' midnight, balls of lightin' roll along  
Old men sing about their dreams, women laugh and children scream,  
And the band keeps playin' on.

Bridge      Keep on dancin' thru the daylight, greet the morning air with song  
No one's noticed, but the band's all packed and gone.  
Was it ever here at all? But they keep on dancin'  
C'mon children, C'mon children, C'mon clap your hands

Key: Am  
Tempo: 100  
Vocals: PJ

Form **Just Am, baby.**

V1 If you can heal the symptoms but not affect the cause  
It's quite a bit like trying to heal a gunshot wound with gauze  
If you instead attempt to wrest the pistol from the hand  
Then I would not be able to equate my life with sand

V2 Flowing through the hourglass, pushing through the funnel  
Turn once more while racing all your siblings for the tunnel  
Slide and let the silicone embrace you as you fall  
Then bounce and land you let your brothers crush you to the wall

V3 I would choose my own religion and worship my own spirit  
But if he ever preached to me I wouldn't want to hear it  
I'd drop him, a forgotten god, languishing in shame  
And then if I hit stormy seas I'd have myself to blame

V4 4X If you can heal the symptoms but not affect the cause, if you can heal the symptoms...

## Grateful Dead

Key: B  
Tempo: 76  
Vocals: MV

**V1**

B A  
Long distance runner, what you standin' there for?

B A  
Get up, get out, get out of the door

B A  
Your playin' cold music on the barroom floor

B A  
Drowned in your laughter and dead to the core.

B A  
There's a dragon with matches that's loose on the town

B A  
Takes a whole pail of water just to cool him down.

B A  
Fire! fire on the mountain!

Lead MV Lead

**V2      Almost ablaze still you don't feel the heat  
It takes all you got just to stay on the beat.  
You say it's a livin', we all gotta eat  
But you're here alone, there's no one to compete.  
If mercy's a business, i wish it for you  
More than just ashes when your dreams come true.  
Fire! fire on the mountain!**

Lead PJ -> JM

**V3      Long distance runner, what you holdin' out for?  
Caught in slow motion in a dash for the door.  
The flame from your stage has now spread to the floor  
You gave all you had. why you want to give more?  
The more that you give, the more it will take  
To the thin line beyond which you really can't fake.  
Fire! fire on the mountain!**

tapping at the window, touch your hair.

Something new is waiting to be born.  
Dark as the night you are still by my side, shine inside.
- Chorus   Gone are the days we stopped to decide,  
Where we should go, we just ride.  
Gone are the broken eyes we saw through in dreams, gone both dream and lie.
- Lead    **MV -> JM**
- Chorus   Life may be sweeter for this, I don't know,  
Feels like it might be alright.  
While Lady Lullaby sings plainly through you, love still rings true.

Reaching for the gold ring down inside.  
Never could reach it, just slips away, but I try.
