# Bertha

## Grateful Dead

**Key: G**
**Tempo: 80**
**Vocals: PJ**

**V1** I had a hard run, running from your window.
I was all night running, Lord I wonder if you care,
I had a run in, run around in a run down.
Run around the corner, corner, Lord I ran smack into a tree.

**Chorus** I had to move, really had to move,
That's why if you please, I am on my bended knees,
Bertha don't you come around here anymore.

**V2** Dressed myself in green, I went down into the sea.
Try to see what's going down, try to read between the lines.
I had a feelin' I was fallin', I turned around to see,
Heard a voice a callin', Lord you was coming after me.

**Lead** Verse/Chorus X 2
Note: Second time through, chorus has vocals

**V3** Ran into a rainstorm, I ducked back into a bar door.
It's all night pouring but not a drop on me.
Test me, test me, why don't you arrest me?
Throw me in the jailhouse until the sun goes down.

**Outro** Chorus: ... Anymore X 10

**V1**

You tell me this town ain't got no heart
The sunny side of the street is dark
Maybe that's cause it's midnight,
In the dark of the moon besides.
Maybe the dark is from your eyes (x3)
You know you got such dark eyes!

**Chorus**

Nothing shaking on Shakedown Street
Used to be the heart of town
Don't tell me this town ain't got no heart.
You just gotta poke around.

**V2**

You think you've seen this town clear through
Nothin' here that could interest you
It's not because you missed out
On the thing that we had to start.
Maybe you had too much too fast (x3)
Or just over played your part.

**Chorus**

**Lead**

```
PJ (Short over verse chords)
```

**V3**

Since I'm passing your way today
I just stopped in 'cause I want to say
I recall your darkness
When it crackled like a thundercloud.

When I can hear it beat out loud!

# Scarlet Begonias

**Grateful Dead**

**Key: E**
**Tempo: 85**
**Vocals: JM**

**V1** As I was walking round Grosvenor Square,
Not a chill to the winter, but a nip to the air.
From the other direction she was calling my eye.
It could be an illusion, but I might as well try, might as well try.

**V2** She rings on her fingers and bells on her shoes,
and I knew without asking she was into the blues.
She wore scarlet begonias tucked into her curls
I knew right away she was not like other girls, other girls.

**V3** In the thick of the evening when the dealing got rough,
She was too pat to open and too cool to bluff.
As I picked up my matches and was closing the door,
I had one of those flashes I'd been there before, been there before.

**Bridge** Well I ain't often right, but I've never been wrong,
seldom turns out the way it does in the song.
Once in a while you get shown the light
in the strangest of places if you look at it right.

**V4** Well there ain't nothin wrong with the way she moves
or scarlet begonias or a touch of the blues.
There's nothing wrong with the love that's in her eye.
I had to learn the hard way to let her pass by, let her pass by.

**Lead** `JM Lead`

**V5** The wind in the willows plays "Tea for Two".
The sky was yellow and the sun was blue.
Strangers stopping strangers just to shake their hand;
Everybody's playing in the heart of gold band, heart of gold band.

You ain't got time to call your soul a critic, no.
Right outside the lazy gate of winter's summer home
Wonderin' where the nut thatch winters, wings a mile long
Just carried the bird away.

**Chorus** Wake up to find out that you are the eyes of the world.
The heart has its beaches, its homeland and thoughts of its own.
Wake now discover that you are the song that the morning brings.
The heart has its seasons, its evenings and songs of its own.

**Lead** PJ Lead (Emaj7 Bm)

**V2** There comes a redeemer and he slowly too fades away.
There follows his wagon behind him that's loaded with clay.

Night comes so quiet, it's close on the heels of the day.
*Chorus*

**Lead** MV Lead (Emaj7 Bm A)

**Vocals: JM**

**V1** There's mosquitoes on the river, Fish are rising up like birds
It's been hot for seven weeks now, too hot to even speak now,
Did you hear what I just heard?
Say it might have been a fiddle, or it could have been the wind
But there seems to be a beat now, I can feel it in my feet now, listen here it comes again!

**Bridge** There's a band out on the highway, they're high steppin' into town
It's a rainbow full of sound, it's fireworks, calliopes and clowns.
Everybody dancin'
C'mon children, C'mon children, C'mon on clap your hands.

**V2** Sun went down in honey and the moon came up in wine,
You know the stars were spinnin' dizzy Lord the band kept us so busy.
We forgot about the time.

**V3** They're a band beyond description, like Jehovah's favorite choir.
People joining hand in hand while the music played the band.
Lord, they're setting us on fire.
Crazy rooster crowin' midnight, balls of lightin' roll along
Old men sing about their dreams, women laugh and children scream,
And the band keeps playin' on.

**Bridge** Keep on dancin' thru the daylight, greet the morning air with song
No one's noticed, but the band's all packed and gone.
Was it ever here at all? But they keep on dancin'
C'mon children, C'mon children, C'mon clap your hands

**V4** Well the cool breeze came on Tuesday, and the corn's a bumper crop
And the fields are full of dancin' full of singin' and romancin',
The music never stopped.

**Prechorus** I stumble every time you do it, ain't never gonna get used to it
Hanging on a garden rose, untamed, the way that my love grows.
Oh lord I didn't see it coming, Arcadia's got me running
Just trying not to lose my breath, cause hell I'm gonna take that step
And though my pride has gone way down the line I'm just fine

**V1** If my luck is all that I have today
Well it's no wonder that you found me buried underneath my weight
Well, wood stilts and little red pills may be all that hold me up
But you pulled the blinds in this room of mine
Just a little bit brighter since you came

**Chorus** I stumble every time you do it, ain't never gonna get used to it
Hanging on a garden rose, untamed, the way that my love grows
Oh lord I didn't see it coming, Arcadia's got me running
Just trying not to lose my breath, cause hell I'm gonna take that step
Seep up all the light from the bottom of the spine
Don't fret, don't hang your head cause I'm just fine

**V2** One day, all that I have to give
Well it will be sitting on your doorstep waiting just to come on in
Well, cold rooms and burning flumes they have left me
Just a little bit lesser than I am
Than I am, than I am going to be

# Loving Cup

## Rolling Stones

**Key: D**
**Tempo: 90**
**Vocals: MV**

**Intro** `Piano Only: |: G C | G C :|`
`(Guitar enters at V1)`

**V1**
I'm the man on the mountain, come on up
I'm the plowman in the valley with a face full of mud
Yes I am fumbling and I know my car won't start
Yes I am stumbling and I know I play a bad guitar
Give me little drink from your loving cup
Just one drink and I'll fall down .... drunk

**V2**
I'm the man who walks the hillside in the sweet summer sun
I'm the man who brings you roses when you ain't got none
Well, I can run and jump and fish, but I won't fight
**Bass/Drums**
You if you want to push and pull with me all night
Give me little drink from your loving cup
Just one drink and I'll fall down drunk

**Bridge**
I feel so humble with you tonight just sitting in front of the fire
See your face dancing in the flame, feel your mouth kissing me again
What a beautiful buzz, what a beautiful buzz
What a beautiful buzz, what a beautiful buzz
Ohhhhh, what a beautiful buzz, what a beautiful buzz

**V3**
Yes, I am nitty gritty and my shirt's all torn
But I would love to spill the beans with you till dawn
Give me little drink from your loving cup
Just one drink and I'll fall down ...drunk

**B2** Gimme little drink (x many)

**Jam** `Jam in G.`
