Mr. Palmer is concerned with the thousand-dollar question
Just like Roger he's a crazy little kid
I've got the time if you've got the inclination
So cheer up Palmer, you'll soon be dead

The noose is hanging, at least you won't die wondering
Sit up and take notice Tell it like it is
If I were near you I wouldn't be far from you
I've got a feeling you know what you did

Time to put your money where your mouth is
Put 'em in a field and let 'em fight it out
I'm running so fast my feet don't touch the ground
I'm a stranger here I'm going down

Let's get down to the nitty gritty
Let's get this show on the road
I'll show you mine if you show me yours
I'm breathing hard - open the door

All Along The Watchtower

Bob Dylan

Form Am G F G

Key: A
Tempo: 115
Vocals: JM

Intro JM starts.

V1 "There must be some kinda way out of here"
Said the joker to the thief
"There's too much confusion,
I can't get no relief
Businessmen, they drink my wine,
Plow men dig my earth
None of them along the line
Know what any of it is worth"

Lead JM Over verse chords

V2 "No reason to get excited"
The thief he kindly spoke
"There are many here among
Us who feel that life is but a joke
But, you and I, we've been through that
And this is not our fate
So let us not talk falsely now,
Because the hour is getting late"

Lead JM Over verse chords

V3 All along the watchtower
Princes kept their view
While other women came and went
Barefoot servants, too
Outside in the cold distance
A wild cat did growl
Two riders were approaching
And the wind began to howl.

Lead JM with "wind down" to quiet before starting V4.

V4 "No reason to get excited"
The thief he kindly spoke
"There are many here among
Us who feel that life is but a joke.

Outro NO OUTRO. Hard stop after "joke".

V1 From out of the chaos a wave appears
In the moonlit confusion
Irons melted, coming Grace, no longer frozen

V2 The pillow drowns the moans and shallow breaths
As dancing silvery rays change, each wave eyes a star
And the swollen moon hangs over the water

V3 Reflections guide the way, gold maze mirrors
As the night wheels turn
Shipwrecks sway, steel mast crashes, spin green sky

Chorus

I have grown my wings, I am flying
Eb Bb B
Ascending now, I am soaring

Chorus 2 Way, way back in 79, in the land of the hash bash and five dollar fine
We were learning, sometimes failing, to be kind
Way, way back in 79, way, way back in 79

V3 We saw Jerry for the last time in Hawaii
He came back out to play Midnight Moonlight
My daughter knew the words from the bedtime songs she'd heard
Jerry looked down at her and smiled

Chorus 3 Way, way back in 79, some said the Dead were starting to decline
We had so much future, so much time
Way, way back in 79, way, way back in 79

Lead `|: G / / / | Am / / / | C /// :|`

V4 Our children like to camp out with the jam bands
High Sierra, Hornings Hideout, Bonaroo
My best friend gets them backstage even though they're under age
They dance between the stars and morning dew

Chorus 4 Way, way back in 79, Bob Marley was alive and in his prime
We shared the men and women and dark times,
Way, way back in 79, way, way back in 79 (x2)

V1
When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountain curl
It took me a long time to get back on the train

V2
Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

Lead `Over verse chords`

V3
See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far
It took me a long time to get back on the train

V4
When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand

She raised a few eyebrows and she went on down alone.

Chorus

Cause when i screw up once, I do it 2 more times

          Dark as the night you are still by my side, shine inside.

Chorus    Gone are the days we stopped to decide,
          Where we should go, we just ride.
          Gone are the broken eyes we saw through in dreams, gone both dream and lie.

Lead      MV -> JM

Chorus    Life may be sweeter for this, I don't know,
          Feels like it might be alright.
          While Lady Lullaby sings plainly through you, love still rings true.

V5        Midnight on a carousel ride,
          Reaching for the gold ring down inside.
          Never could reach it, just slips away, but I try.

More than just ashes when your dreams come true.

To the thin line beyond which you really can't fake.
Fire! fire on the mountain!

It may have one good ring baby, you can’t tell
One watch by night, one watch by day.

Some come to make it just one more day

V2

Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

Outro We can share the women, we can share the wine.

Through this world of trouble, we got to love one another
Let us take our fellow man by his hand, try to help him to understand
We can all live together forever and ever When we make it to the Promised Land.

V2 Our Bible reads, "Thou shall not be afraid"
Of the terror by night nor the arrow which flies by day
Nor for the pestilence that waiteth in the darkness
Nor for the destruction that waiteth in the noon day hour.

Chorus

Lead

V3 This World is not our home, we are only passing through.
Our trail is all made up, way beyond the blue.
Let us do the very best that we can, While we're traveling through this land
We can all live together shaking our hands when we make it to the Promised Land.

Chorus

          Things went down we don't understand But I think in time we will
          Now, I don't know, but I was told In the heat of the sun a man died of cold
          Keep on comin' or stand and wait With the sun so dark and the hour so late.

V3        You can't overlook the lack, Jack, Of any other highway to ride,
          It's got no signs or dividing lines, And very few rules to guide.

          I saw things getting out of hand I guess they always will.
          Now I don't know but I've been told If the horse don't pull you got to carry the load.

No Raindrops

Justin Murata

Key: G
Tempo: 100
Vocals: JM

Form `|: G C | G D :|`

Chorus Mercy mercy me I believe I do decree
There ain't gonna be no raindrops anymore
The weather may be bad but that don't make me sad
One day the sun will shine on my backdoor

V1 Sometimes it gets twirled, good and bad in this old world
It's tough to see the future from the past
Decisions may be blind, if you ain't got the time
The night is coming and daylight's burning fast

Chorus

V2 I ain't gonna stop, 'till I end up on top
Of every pile, that gets piled in front of me
Through the rain and the pain, just like a hurricane
I'll keep an eye as far as I can see

Chorus

V3 So I'll climb up that hill while the world keep turnin' still
And the clouds pass with the rain just like before
The blue skies will be bright and the stars will shine all night
'Cause there ain't gonna be no raindrops anymore

Chorus

Tag There ain't gonna be no raindrops anymore

Papa Was A Rolling Stone

Temptations

Chorus **Papa was a rolling stone,**
Wherever he laid his hat was his home
(And when he died) All he left us was alone
Papa was a rolling stone,
Wherever he laid his hat was his home
(And when he died) All he left us was alone

V2 **Hey Momma, is it true what they say**
That Papa never worked a day in his life?
And Momma, some bad talk goin' round town
Sayin' that Papa had three outside children and another wife
And that ain't right
Heard them talking Papa doing some store front preachin'
Talked about saving souls and all the time leeching
Dealing in debt, and stealing in the name of the Lord"
Momma just hung her head and said...

V3 **Hey Momma, I heard Papa called himself a jack of all trades**
Tell me, is that what sent Papa to an early grave?
Folks say Papa would beg, borrow, steal to pay his bills
Hey Momma, folks say that Papa never was much on thinking
Spent most of his time chasing women and drinking
Momma I'm depending on you to tell me the truth"
And Momma looked up with a tear in her eye and said...

Intro Drums (8 measures) > full band vamp

G           C                       G
If I had my way, I would tear this old building down.

G                          C      G
V1 Delilah was a woman, she was fine and fair,
G                                  D       G
 She had good looks, God knows, and coal black hair,
G                    C        G
Delilah she gained old Samson's mind.
G                                 D       G
When first he saw this woman, she looked so fine.

Delilah she climbed up on Samson's knee,
Said tell me where your strength lies if you please.
She spoke so kind and she talked so fair,
Well Samson said, Delilah cut off my hair.
You can shave my head, clean as my hand
And my strength will become as natural as any old man.

G             G C     G   G            F C
Chorus If I had my way, if I had my way, if I had my way,
G
I would tear this old building down.

V2 You read about Samson, all from his works,
He was the strongest man that ever had lived on earth.
One day when Samson was walking along,
Looked down on the ground, he saw an old jawbone.
He stretched out his arm, God knows, chains broke like thread,
When he got to moving, ten thousand was dead.

Chorus

Lead

V3 Now Samson and the lion, they got in a tack,
Samson he crawled up on the lion's back.
You read about this lion, he killed a man with his paws,
But Samson got his hands around that lion's jaws.
He ripped the beast till he killed him dead.
The bees made honey in the lion's head.

Sand

Phish

Key: Am
Tempo: 100
Vocals: PJ

Form `Just Am, baby.`

V1 If you can heal the symptoms but not affect the cause
It's quite a bit like trying to heal a gunshot wound with gauze
If you instead attempt to wrest the pistol from the hand
Then I would not be able to equate my life with sand

V2 Flowing through the hourglass, pushing through the funnel
Turn once more while racing all your siblings for the tunnel
Slide and let the silicone embrace you as you fall
Then bounce and land you let your brothers crush you to the wall

V3 I would choose my own religion and worship my own spirit
But if he ever preached to me I wouldn't want to hear it
I'd drop him, a forgotten god, languishing in shame
And then if I hit stormy seas I'd have myself to blame

V4 4X If you can heal the symptoms but not affect the cause, if you can heal the symptoms...

V2      She rings on her fingers and bells on her shoes,
        and I knew without asking she was into the blues.
        She wore scarlet begonias tucked into her curls
        I knew right away she was not like other girls, other girls.

V3      In the thick of the evening when the dealing got rough,
        She was too pat to open and too cool to bluff.

        or scarlet begonias or a touch of the blues.
        There's nothing wrong with the love that's in her eye.
        I had to learn the hard way to let her pass by, let her pass by.

The Tracks of My Tears

Smokey Robinson

Key: C

Form C/F/G

V1 People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

Chorus So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
I need you (need you), need you (need you)

V2 Since you left me if you see me with another girl
Seeming like I'm having fun
Although she may be cute
She's just a substitute
Because you're the permanent one

Chorus So take a good look at my face
Oh, you'll see my smile looks out of place
If you look a little bit closer, it's easy to trace
Oh, the tracks of my tears
Oh, I need you (need you), need you (need you)

Bridge Hey yeah, outside I'm masquerading
Inside my hope is fading
Just a clown oh yeah
Since you put me down
My smile is my make up
I wear since my break up with you

Chorus Baby, take a good look at my face
Oh, you'll see my smile looks out of place
Yeah, just look closer, it's easy to trace
The tracks of my tears, baby baby, baby, baby, baby, baby
Baby, take a good look at my face
Yeah, you'll see my smile looks out of place
Ooh, look a little bit closer, it's easy to trace

          Nothing thay you need to add or do. They love each other.

          You gotta try and see a little further. They love each other.

V3        What in the world ever became of Sweet Jane?
          She lost her sparkle you know she isn’t the same
          Livin’ on reds, Vitamin C and cocaine- All a friend can say is ain’t it a shame
          Truckin’ up to Buffalo, been thinkin’ you’ve got to mellow slow
          Takes time, you pick a place to go, just keep truckin’ on.

V4        Sittin’ and starin’ out of the hotel window,
          Got a tip they’re gonna kick the door in again
          I’d like to get some sleep before I travel
          but if you got a warrant, I guess you’re gonna come in.
          Busted down on Bourbon Street, set up like a bowlin’ pin
          Knocked down, it gets to wearin’ thin, they just won’t let you be.

V5        You’re sick of hangin’ around, you’d like to travel,
          get tired of travelin’, you want to settle down.
          I guess they cant revoke your soul for tryin’,
          get out of the door, light out and look all around.
          Chorus

V6        Truckin’ I’m a-goin’ home, whoa whoa baby, back where I belong

Grateful Dead

Key: E
Tempo: 80
Vocals: JM

E / A

Without a warning, you broke my heart, takin' it baby, tore it apart
And you left me standin' in the dark cryin', said your love for me was dyin'.
Come on baby, baby please. I'm begging you baby, cause I'm on my knees.

Turn on your light. Let it shine on me. Turn on your love light
Let it shine on me. Let it shine, let it shine, let it shine.

When I get lonely in the middle of the night
And I need you darlin' to make things alright
So come on baby, baby please
And I'm beggin' you baby cause I'm on my knees,

Turn on your light, let it shine on me. Turn on your love light,
Let it shine on me. Let it shine, let it shine, let it shine.

Let it shine, let it shine, let it shine
