# Blaze On

Phish

Key: C  
Tempo: 90  
Vocals: PJ

Intro PJ gtr lick > drum fill > add rest (mellow)

V1 Climb that hill, stay on your feet  
Scramble for your footing when it gets too steep  
You're on the highway now with higher hopes  
While all around are rolling eggs with living yokes  
You never get too sad, you never get too blue  
It must be all the chemtrails raining down on you  
The justice of the peace can't help you anymore  
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,  
So now the band plays on, you've got one life, blaze on!  
You got your nice shades on, and the worst days are gone  
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones  
The struggle's over now, we're all just flesh and bones  
We were wrong before, it was wrong to trust  
The shadows cast were only light and dust  
And then one day you'll find to your intense delight  
That 3 wrong turns can really make a right  
So why not be like me? Be proud of all your crimes  
Cause when i screw up once, I do it 2 more times  
(Chorus)

V3 And we'll be dancing in the fields, running through the moor,  
Tripping on the barbed wire, buried near the shore.  
Blazing like a comet brighter than the full moon.  
So you better get ready, cause a change is coming soon,  
I met a liar, called the messiah, I got the frying pan, I wanted fire,  
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.  
(Chorus)

Jam Bb -> C riff into jam in C.

Outro Bb -> C riff and "Blaze On" repeated.  
QUICK Ending after last vocal

# All Along The Watchtower

Bob Dylan

Form **Am G F G**

Key: A

Intro JM starts.

Tempo: 115

Vocals: JM

V1 "There must be some kinda way out of here"  
Said the joker to the thief  
"There's too much confusion,  
I can't get no relief  
Businessmen, they drink my wine,  
Plow men dig my earth  
None of them along the line  
Know what any of it is worth"

Lead **JM Over verse chords**

V2 "No reason to get excited"  
The thief he kindly spoke  
"There are many here among  
Us who feel that life is but a joke  
But, you and I, we've been through that  
And this is not our fate  
So let us not talk falsely now,  
Because the hour is getting late"

Lead **JM Over verse chords**

V3 All along the watchtower  
Princes kept their view  
While other women came and went  
Barefoot servants, too  
Outside in the cold distance  
A wild cat did growl  
Two riders were approaching  
And the wind began to howl.

Lead **JM with "wind down" to quiet before starting V4.**

V4 "No reason to get excited"  
The thief he kindly spoke  
"There are many here among  
Us who feel that life is but a joke.

# Jack Straw

Grateful Dead

Key: E  
Tempo: 75  
Vocals: PJ

V1 We can share the women, we can share the wine  
We can share what we've got of yours 'cause we done shared all of mine.  
Keep on rollin', just a mile to go,  
Keep on rollin', my old buddy, you're movin' much too slow.

I just jumped the watchman, right outside the fence,  
Took his rings, four bucks in change, ain't that heaven sent?  
Hurts my ears to listen, Shannon, burns my eyes to see,  
Cut down a man in cold blood, Shannon, might as well been me.

We used to play for silver, now we play for life;  
And one's for sport and one's for blood at the point of a knife.  
And now the die is shaken, now the die must fall;  
There ain't no winner in the game, he don't go home with all,  
Not with all.

V2 Leavin' Texas, fourth day of July,  
Sun so hot, the clouds so low, the eagles filled the sky.  
Catch the Detroit Lightning out of Santa Fe,  
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,  
Got to settle one old score, one small point of pride.  
Ain't no place a man can hide, Shannon, to keep him from the sun;  
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,  
And dug for him a shallow grave and laid his body down.  
Half a mile from Tuscon, by the morning light,  
One man gone and another to go, my old buddy you're moving much too slow.

Outro We can share the women, we can share the wine.

# Althea

## Grateful Dead

Key: B  
Tempo: 83  
Vocals: MV

V1 I told Althea I was feeling lost, lacking in some direction.  
Althea told me upon scrutiny that my back might need protection.  
I told Althea that treachery was tearing me limb from limb.  
Althea told me better cool down boy, settle back, easy Jim.

Lead JM

V2 You may be Saturday's child, all alone, moving with a tinge of grace.  
You may be a clown in the burying ground, or just another pretty face.  
You may meet the fate of Ophelia sleeping and perchance to dream.  
Honest to the point of recklessness, self-centered in the extreme.

Lead PJ

V3 Ain't nobody messing with you, but you, your friends are getting most concerned.  
Loose with the truth baby it's your fire, but baby don't get burned.  
When the smoke has cleared, she said, that's what she said to me.  
Gonna want a bed to lay your head and a little sympathy.

Lead MV

Bridge There are things you can replace, and others you cannot.  
The time has come to weigh those things.  
This space is getting hot, you know this space is getting hot.

Lead JM

V4 I told Althea I'm a roving son, and I was born to be a bachelor.  
Althea told me, okay, that's fine, so now I'm trying to catch her.  
Can't talk to you without talking to me, we're guilty of the same old thing.  
Been talking a lot about less and less and forgetting the love we bring.

# The Music Never Stopped

Grateful Dead

Key: E

Tempo: 110

Vocals: JM

V1     There's mosquitoes on the river , Fish are rising up like birds  
It's been hot for seven weeks now, too hot to even speak now,  
Did you hear what I just heard?  
Say it might have been a fiddle, or it could have been the wind  
But there seems to be a beat now, I can feel it in my feet now, listen here it comes again!

E F# G G#

Bridge   There's a band out on the highway, they're high steppin' into town  
It's a rainbow full of sound, it's fireworks, calliopes and clowns.  
Everybody dancin'  
C'mon children, C'mon children, C'mon on clap your hands.

V2     Sun went down in honey and the moon came up in wine,  
You know the stars were spinnin' dizzy Lord the band kept us so busy.  
We forgot about the time.

V3     They're a band beyond description, like Jehovah's favorite choir.  
People joining hand in hand while the music played the band.  
Lord, they're setting us on fire.  
Crazy rooster crowin' midnight, balls of lightin' roll along  
Old men sing about their dreams, women laugh and children scream,  
And the band keeps playin' on.

Bridge   Keep on dancin' thru the daylight, greet the morning air with song  
No one's noticed, but the band's all packed and gone.  
Was it ever here at all? But they keep on dancin'  
C'mon children, C'mon children, C'mon clap your hands

V4     Well the cool breeze came on Tuesday, and the corn's a bumper crop  
And the fields are full of dancin' full of singin' and romancin',  
The music never stopped.
