You tell me this town ain't got no heart
The sunny side of the street is dark
Maybe that's cause it's midnight,
In the dark of the moon besides.
Maybe the dark is from your eyes (x3)
You know you got such dark eyes!

Chorus

Nothing shaking on Shakedown Street
Used to be the heart of town
Don't tell me this town ain't got no heart.
You just gotta poke around.

V2

You think you've seen this town clear through
Nothin' here that could interest you
It's not because you missed out
On the thing that we had to start.
Maybe you had too much too fast (x3)
Or just over played your part.

It could be an illusion, but I might as well try, might as well try.

She rings on her fingers and bells on her shoes,
and I knew without asking she was into the blues.
She wore scarlet begonias tucked into her curls
I knew right away she was not like other girls, other girls.

V3
In the thick of the evening when the dealing got rough,
She was too pat to open and too cool to bluff.
As I picked up my matches and was closing the door,
I had one of those flashes I'd been there before, been there before.

V4
Well there ain't nothin wrong with the way she moves
or scarlet begonias or a touch of the blues.
There's nothing wrong with the love that's in her eye.
I had to learn the hard way to let her pass by, let her pass by.

No Raindrops

Justin Murata

Key: G
Tempo: 100
Vocals: JM

Form `|: G C | G D :|`

Chorus **Mercy mercy me I believe I do decree**
There ain't gonna be no raindrops anymore
The weather may be bad but that don't make me sad
One day the sun will shine on my backdoor

V1 **Sometimes it gets twirled, good and bad in this old world**
It's tough to see the future from the past
Decisions may be blind, if you ain't got the time
The night is coming and daylight's burning fast

Chorus

V2 **I ain't gonna stop, 'till I end up on top**
Of every pile, that gets piled in front of me
Through the rain and the pain, just like a hurricane
I'll keep an eye as far as I can see

Chorus

V3 **So I'll climb up that hill while the world keep turnin' still**
And the clouds pass with the rain just like before
The blue skies will be bright and the stars will shine all night
'Cause there ain't gonna be no raindrops anymore

Chorus

Tag **There ain't gonna be no raindrops anymore**
There ain't gonna be no raindrops anymore

Look for a while at the China Cat sunflower,

V2

Crazy cat peekin' through a lace bandanna,
Like a one-eyed Cheshire, like a diamond-eye jack.
A leaf of all colors plays a golden-string fiddle,
To a double-E waterfall over my back.

V3

Comic book colors on a violin river
Cryin' Leonardo, Words from out a silk trombone.
I rang a silent bell, beneath a shower of pearls,
In the eagle-winged palace of the Queen Chinee.
