Brown Eyed Women

Grateful Dead

Intro **C#m E A E**

Key: A
Tempo: 110
Vocals: JM

V1 Gone are the days when the ox fall down,
Take up the yoke and plow the fields around.
Gone are the days when the ladies said, "Please,
Gentle Jack Jones, won't you come to me?"

Chorus Brown-eyed women and red grenadine,
The bottle was dusty but the liquor was clean.
Sound of the thunder with the rain falling down,
And it looks like the old man's getting on.

V2 1920 when he stepped to the bar, Drank to the dregs of the whiskey jar.
1930 when the Wall caved in, He made his way sellin' red-eyed gin.
Chorus

Lead *Solo through verse chords*

V3 Delilah Jones was the mother of twins, Two times over and the rest were sins.
Raised eight boys, only I turned bad, Didn't get the lickin's that the other ones had.
Chorus

Bridge Tumble down shack in Bigfoot county,
Snowed so hard that the roof caved in.
Delilah Jones went to meet her God,
And the old man never was the same again.

V4 Daddy made whiskey and he made it well, Cost two dollars and it burnt like hell.
I cut hickory just to fire the still, Drink down a bottle and be ready to kill.

Jam **Jam, could include Jam Moves**

V5 **Repeat first verse and chorus**
End: Repeat: "And it looks like the old man's getting on"

Days Between

Key: G
Tempo: 65
Vocals: ??

- V1 There were days and there were days and there were days between
Summer flies and August dies the world grows dark and mean
Comes the shimmer of the moon on black infested trees
The singing man is at his song the holy on their knees
The reckless are out wrecking the timid plead their pleas
No one knows much more of this than anyone can see, one can see
- V2 There were days and there were days and there were days besides
When phantom ships with phantom sails set to sea on phantom tides
Comes the lightning of the sun on bright unfocused eyes
the blue of yet another day a springtime wet with sighs
a hopeful candle lingers in the land of lullabies
where headless horsemen vanish with wild and lonely cries, lonely cries
- V3 There were days and there were days and there were days I know
When all we ever wanted was to learn and love and grow
Once we grew into our shoes we told them where to go
Walked halfway around the world on promise of the glow
Stood upon a mountain top Walked barefoot in the snow
Gave the best we had to give How much we'll never know we'll never know
- V4 There were days and there were days and there were days between
polished like a golden bowl The finest ever seen
Hearts of Summer held in trust still tender, young and green
left on shelves collecting dust not knowing what they mean
Valentines of flesh and blood as soft as velveteen
hoping love would not forsake the days that lie between, lie between

Your eyes looked from your mother's face
Wildflower seed on the sand and stone
May the four winds blow you safely home
Roll away the dew (4x)

In Franklin's tower there hangs a bell
It can ring, turn night to day
It can ring like fire when you lose your way

It may have one good ring baby, you can't tell
One watch by night, one watch by day.
If you get confused listen to the music play

Some come to make it just one more day
Whichever way your pleasure tends
If you plant ice you're gonna harvest the wind.

Jack Straw

Grateful Dead

Key: E
Tempo: 75
Vocals: PJ

V1 We can share the women, we can share the wine
We can share what we've got of yours 'cause we done shared all of mine.
Keep on rollin', just a mile to go,
Keep on rollin', my old buddy, you're movin' much too slow.

I just jumped the watchman, right outside the fence,
Took his rings, four bucks in change, ain't that heaven sent?
Hurts my ears to listen, Shannon, burns my eyes to see,
Cut down a man in cold blood, Shannon, might as well been me.

We used to play for silver, now we play for life;
And one's for sport and one's for blood at the point of a knife.
And now the die is shaken, now the die must fall;
There ain't no winner in the game, he don't go home with all,
Not with all.

V2 Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

Outro We can share the women, we can share the wine.

Ripple

Grateful Dead

Key: G
Tempo: 130
Vocals: All

V1 If my words did glow with the gold of sunshine,
and my tunes were played on the harp unstrung?
Would you hear my voice come through the music?
Would you hold it near, as it were your own?

V2 It's a hand-me-down, the thoughts are broken, perhaps they're better left unsung?
I don't know, don't really care, let there be songs to fill the air.

Chorus Ripple in still water, when there is no pebble tossed nor wind to blow

V3 Reach out your hand if your cup be empty, if your cup is full, may it be again.
Let it be known there is a fountain, that was not made by the hands of men.

V4 There is a road, no simple highway, between the dawn and the dark of night
And if you go, no one may follow, that path is for your steps alone.

Chorus

V5 You who choose to lead must follow, but if you fall you fall alone
If you should stand, then who's to guide you? If I knew the way, I would take you home.

 It's not because you missed out
 On the thing that we had to start.

There's just the pavement left and broken dreams
In the end there's still that song comes crying like the wind
Down every lonely street that's ever been

Dust off those rusty strings just one more time
Gonna make em shine (shine)

St Stephen

Key: E

Intro | B / D / | A E | E / D / | A B | B / A / | D E | E / D / | A / B | 35

V1 Saint Stephen with a rose, In and out of the garden he goes,
Country garland in the wind and the rain,
Wherever he goes the people all complain.

Lead ||: E / Dsus2 / | A / E / :||

V2 Stephen prospered in his time? Well he may and he may decline.
Did it matter, does it now?
Stephen would answer if he only knew how.

Lead ||: E / Dsus2 / | A / E / :||

V3 Wishing well with a golden bell, bucket hanging clear to hell,
Hell halfway twixt now and then,
Stephen fill it up and lower down and lower down again.

Break Lady finger, dipped in moonlight,
Writing "What for?" across the morning sky.
Sunlight splatters, dawn with answer,
Darkness shrugs and bids the day goodbye.
Speeding arrow, sharp and narrow,
What a lot of fleeting matters you have spurned.
Several seasons with their treasons,
Wrap the babe in scarlet colors, call it your own.

Lead ||: E / Dsus2 / | A / E / :||

V4 Did he doubt or did he try? Answers aplenty in the bye and bye,
Talk about your plenty, talk about your ills, One man gathers what another man spills.

Lead ||: No Chords | Drums :|| : E / / / :|| : E / A / :|| E / Dsus2 / | A / E /

V5 Saint Stephen will remain, All he's lost he shall regain,
Seashore washed by the suds and foam, Been here so long, he's got to calling it home.

V6 Fortune comes a crawlin', calliope woman,
Spinnin' that curious sense of your own.
Can you answer? Yes I can.
But what would be the answer to the answer man?

WTO High green chilly winds and windy vines
In loops around the twisted shafts of lavender,
They're crawling to the sun.
Wonder who will water all the children of the garden
When they sigh about the barren lack of rain
and Droop so hungry neath the sky.
Underfoot the ground is patched
With arms of ivy wrapped around the manzanita,
Stark and shiny in the breeze.
William Tell has stretched his bow

till it won't stretch No furthermore
And/or it may require a change that hasn't come before.
