D Bm A E A
There ain't no winner in the game, he don't go home with all,

Not with all.

V2 Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Wichita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

V2

There were days and there were days and there were days besides
When phantom ships with phantom sails set to sea on phantom tides
Comes the lightning of the sun on bright unfocused eyes
the blue of yet another day a springtime wet with sighs
a hopeful candle lingers in the land of lullabies
where headless horsemen vanish with wild and lonely cries, lonely cries

V3

There were days and there were days and there were days I know
When all we ever wanted was to learn and love and grow
Once we grew into our shoes we told them where to go
Walked halfway around the world on promise of the glow
Stood upon a mountain top Walked barefoot in the snow
Gave the best we had to give How much we'll never know we'll never know

V4

There were days and there were days and there were days between
polished like a golden bowl The finest ever seen
Hearts of Summer held in trust still tender, young and green
left on shelves collecting dust not knowing what they mean
Valentines of flesh and blood as soft as velveteen
hoping love would not forsake the days that lie between, lie between

I try to show it but you drive me back
Your love for me has got to be real
You're gonna know just how I feel
Our love is real, not fade away.

- V1 A D A G E
Sugar magnolia, blossoms blooming, head's all empty and I don't care,
A C#m F#m E D A
Saw my baby down by the river, knew she'd have to come up soon for air.

We can discover the wonders of nature, rolling in the rushes down by the riverside

She's got everything delightful, she's got everything I need,
D G D E A
Takes the wheel when I'm seeing double, pays my ticket when I speed
- Lead Lead goes through verse chords
- V3 She comes skimmin' through rays of violet, she can wade in a drop of dew,
She don't come and I don't follow, waits backstage while I sing to you.
- V4 Well, she can dance a Cajun rhythm, jump like a willys in four wheel drive
She's a summer love in the spring, fall and winter, she can make happy any man alive
- V5 A G D A G D A G D A
Sugar magnolia, ringing that bluebell, caught up in sunlight,
A E G D
Come on out singing, I'll walk you in the sunshine,
A
Come on honey, come along with me.
- V6 She's got everything delightful, she's got everything I need,
A breeze in the pines and the sun and bright moonlight,
Crazy in the sunlight yes indeed.
- Chorus2 A
Sometimes when the cuckoo's crying, when the moon is half way down,
B E B
Sometimes when the night is dying, I take me out and
A E D A E B A E B
I wander around, I wander round
- Jam | B /// | B F# E |
- V7 B F# E
Sunshine daydream, walking through the tall trees.
Going where the wind goes, blooming like a red rose.
Breathing more freely. Light out singing,
I'll walk you in the morning sunshine, sunshine, daydream.

Ripple

Grateful Dead

Key: G
Tempo: 130
Vocals: All

Intro JM does the intro riff.
(See verses for vox assignments.)

MV G C
If my words did glow with the gold of sunshine,
G
and my tunes were played on the harp unstrung?
C
Would you hear my voice come through the music?
D C G
Would you hold it near, as it were your own?

MV It's a hand-me-down, the thoughts are broken, perhaps they're better left unsung?
I don't know, don't really care, let there be songs to fill the air.

PJ Am D G C A D
Ripple in still water, when there is no pebble tossed nor wind to blow

JM Reach out your hand if your cup be empty, if your cup is full, may it be again.
Let it be known there is a fountain, that was not made by the hands of men.

JM There is a road, no simple highway, between the dawn and the dark of night
And if you go, no one may follow, that path is for your steps alone.

SH Ripple in still water, when there is no pebble tossed nor wind to blow

KH You who choose to lead must follow, but if you fall you fall alone
If you should stand, then who's to guide you? If I knew the way, I would take you home.

All La da da da da, La da da da da, Da da da da, da da, da da da da da.
La da da da, La da da da da, La da da da, La da da da da.
