V1 Mr. Palmer is concerned with the thousand-dollar question
 Just like Roger he's a crazy little kid
 I've got the time if you've got the inclination
 So cheer up Palmer, you'll soon be dead

V2 The noose is hanging, at least you won't die wondering
 Sit up and take notice Tell it like it is
 If I were near you I wouldn't be far from you
 I've got a feeling you know what you did

 Put 'em in a field and let 'em fight it out
 I'm running so fast my feet don't touch the ground
 I'm a stranger here I'm going down

V4 Let's get down to the nitty gritty
 Let's get this show on the road
 I'll show you mine if you show me yours
 I'm breathing hard - open the door

Chorus Repeat

Bridge Brain dead, and made of money, no future at all
 Pull down the blinds and run for cover, no future at all

 Black stallions through the night on a perfect ride

 I can see, I can see, a life beyond the dream

 Don't give up hope, don't give up hope
 Keep dreaming, keep on dreaming
 Don't give up hope, don't give up hope

A Wave of Hope

Phish

- V1** From out of the chaos a wave appears
In the moonlit confusion
Irons melted, coming Grace, no longer frozen
- V2** The pillow drowns the moans and shallow breaths
As dancing silvery rays change, each wave eyes a star
And the swollen moon hangs over the water
- V3** Reflections guide the way, gold maze mirrors
As the night wheels turn
Shipwrecks sway, steel mast crashes, spin green sky
- Chorus** I have grown my wings, I am flying
Ascending now, I am soaring
Untied my wrists, and flew away
This too shall pass, this too shall pass
- Bridge** We are flying, we are flying over the water
We are diving, we are diving into the water
- Jam** Repeat Chorus

V1 When I jumped off, I had a bucket full of thoughts
When I first jumped off, I held that bucket in my hand
Ideas that would take me all around the world
I stood and watched the smoke behind the mountain curl
It took me a long time to get back on the train

V2 Now I'm gone and I'll never look back again
I'm gone and I'll never look back at all
You know I'll never look back again
I turn my face into the howlin' wind
It took me a long time to get back on the train

V3 See my face in the town that's flashing by
See me standing at the station in the rain
See me standing there beside the car
I left it all behind, again I'll travel far

Key: C

Vocals: PJ

V1 Happy happy oh my friend, Blow out candles once again
Leave the presents all inside, Take my hand and let's take a ride
Backwards down the number line
You were eight and I was nine. Do you know what happened then?
Do you know why we're still friends? Laughing all these many years
We pushed through hardships tasted tears, Made a promise one to keep
I can still recite it in my sleep
Every time a birthday comes, Call your friend and sing a song
Or whisper it into his ear, Or write it down, just don't miss a year

Chorus You decide what it contains, How long it goes but this remains
The only rule is it begins, Happy happy oh my friend
And all my friends come backwards down the number line

Bridge Em D C Em D C

V2 And when I see you coming down the line with eyes wide open
Somewhere in between the past and future, where you drift in time

Phish

Key: C
Tempo: 90
Vocals: PJ

Intro PJ gtr lick > drum fill > add rest (mellow)

V1 Climb that hill, stay on your feet
Scramble for your footing when it gets too steep
You're on the highway now with higher hopes
While all around are rolling eggs with living yokes
You never get too sad, you never get too blue
It must be all the chemtrails raining down on you
The justice of the peace can't help you anymore
And they just took the covers off the justice of war

Chorus You got your nice shades on, and the worst days are gone,
So now the band plays on, you've got one life, blaze on!
You got your nice shades on, and the worst days are gone
So now the band plays on, you've got one life, blaze on!

Leo! | F C G C | F C G C |

V2 The storm is passing through, lay down your sticks and stones
The struggle's over now, we're all just flesh and bones
We were wrong before, it was wrong to trust
The shadows cast were only light and dust
And then one day you'll find to your intense delight
That 3 wrong turns can really make a right
So why not be like me? Be proud of all your crimes
Cause when i screw up once, I do it 2 more times
(Chorus)

V3 And we'll be dancing in the fields, running through the moor,
Tripping on the barbed wire, buried near the shore.
Blazing like a comet brighter than the full moon.
So you better get ready, cause a change is coming soon,
I met a liar, called the messiah, I got the frying pan, I wanted fire,
I saw a red dress, I met a daughter, I got the quicksand, I prayed for water.
(Chorus)

Bouncing Round The Room

Phish

Key: D

Tempo: 100

Vocals:

- V1** The woman was a dream I had though rather hard to keep
For when my eyes were watching hers they closed, and I was still asleep.
For when my hand was holding hers she whispered words and I awoke
And faintly bouncing round the room, the echo of whomever spoke and I awoke
And faintly bouncing round the room, the echo of whomever spoke.
- V2** The place I sought was far beneath the surface of the sea,
My sight was poor but I was sure the sirens sang their songs for me.
They dance above me as I sink, I see them through a crystal haze
And hear the sweet sound bouncing round, the never ending coral maze.
The crystal haze and hear them bouncing round the room, the never ending coral maze
- Bridge** Then before and now once more I'm bouncing around the room.
- A Part** That time then and once again, I'm bouncing round the room
That time then and once again, I'm bouncing round the room
- B Part** And I awoke, faintly bouncing round the room,
The echo of whomever spoke.

V1 I'd like to live beneath the dirt.
 A tiny space to move and breathe is all that I would ever need
 I want live beneath the dirt
 Where I am free from push and shove like all those swarming up above
 Beneath your heels I'll spend my time

Chorus (shout your name into the wind) I'll wiggle in the earth and dew

 I'll never hear your voice again

She has silver silk shimmering down to her toes
I was doing the best that I can I suppose
But that little girl dancer eventually grows

We want you to be happy, cause this is your song too

You were the song that my soul understood
But time is a river that flows through the woods
And it led us to places we both understood
Would be gone before too long, would be gone before too long

But then somebody leaves you and you're never the same
All of the places that people belong
To the puzzle but one of the pieces is gone

Intro | : F# / E B : |

V1 You're smiling at me, from your picture frame,
and I miss you
My life keeps on changing, but you stay the same,
and I miss you
So many moments, that we should have shared,
I miss you
And the days turn to years, and it hasn't stopped yet
The memories we shared, I will never forget
No I will never forget

V2 There's a hole in my heart, that'll never be filled, I miss you
This all should get easier, but it never will, I miss you
I float through the days, and the long lonely nights, I miss you
And I hear your footsteps, you're coming down the stairs
Lost in your laughter, the sun in your hair
A brief recollection, the light in your eyes,
I see the reflection, but it passes by
It passes me by

Monsters

Phish

Chorus Easy now, easy now. Easy now, easy now.
I wake up in my bed with monsters in my head

Easy now, easy now. Easy now, easy now.
I wake up in my bed with monsters in my head

Verse A world of smoke and shadows
Has clouded my vision for so long
And I recall a time when I used to belong

The wreckage of the past
And the fear of tomorrow haunts my mind
I'm searching for a way to make it all rewind

- V1 Life in slow motion, feet are in the clay
I'm going nowhere, been standing here all day
I had a notion, there was something more to do
As I watched the water, from the banks of the river it swelled and grew
And I tilt to the left, lean to the right, tilt to the left and lean to the right
Walked on coal and slept on glass, amid swords of sound and daggers of light
And my heart is screaming,
cause half of what I say is lies, and it takes so much to keep up this disguise
It takes so much to keep up this disguise
- V2 I see a doorway in the haze and I'm trying to get to it
The stars are peepholes in a wall but we can walk through it
The memory is still so real, the memory's still so real
I guess it's never really over even when it's over
- Chorus But I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
I'm vibrating with love and light, pulsating with love and light
in a world gone mad, a world gone mad, there must be something more than this
- V3 The trumpet call is sounding, the trees are bending low
There's a great fire in the distance, there must be something more than this
And our shadows will all be dancing, with red dust on our clothes
And we'll leave by tornado, elbows in the clouds and feet in the sky
- Chorus
- V4 Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh
Ohhhh ohhhh ohhhh, woah ohhh ohh ohh ohhh ohhh

Mountains in the Mist

Phish

Key: G
Tempo: 112
Vocals:

- V1 Several times unconsciously I've stumbled on the path
And seen a mountain in the mist
As rain falls on my shoulders, sun rises in the east
I'm worn and bruised, but I am here at least
- V2 I guess I'm just an obstacle a thing to overcome
If I can sneak around myself again I'll know I've won
The moment seems to hang and float before me with no end
til I'm released, awakened beast, I'm on the road again
- Chorus But now I'm soaring far too high
A fleck of dust up in the sky where
tiny clouds go sailing by
Pull me down today
- V3 Woven in the fairy tales we fabricate each day
Are little golden strands of truth that glimmer in the light
The colorful material you hold a certain way
Can keep us from the cold and help to get us through the night

Ruby Waves

Trey Anastasio

V1 Blue morning, walk down the street, hear the rhythm from the soles of my feet
On the pavement, I reach out my hands and touch the building that's beside me
I look into the air up above my head, thin layer of clouds and the open sky
All the stars are handles on doors, if I could touch 'em with my fingers
They would open up

Chorus And a sea of love, ruby waves would pour down on my head
An ocean of love would carry me up from this prison of lies
If I could touch the stars with my fingertip the doors would open all around me
Could escape from this prison of lies and swim
In the ocean up above my head

V2 When I die I'll turn into a tiny ball of energy and I'll go flipping and floating up into the sky
And bounce off the stars like a pinball machine, Look around
All the lights on the machine are flashing 'til they explode and the particles join up with

Chorus A sea of love, ruby waves would pour down on my head
An ocean of love would carry me up from this prison of lies
If I could touch the stars with my fingertip the doors would open all around me
Could escape from this prison of lies
Could escape from this prison of lies
Could escape from this prison of lies

Form **Just Am, baby.**

- V1 If you can heal the symptoms but not affect the cause
It's quite a bit like trying to heal a gunshot wound with gauze
If you instead attempt to wrest the pistol from the hand
Then I would not be able to equate my life with sand
- V2 Flowing through the hourglass, pushing through the funnel
Turn once more while racing all your siblings for the tunnel
Slide and let the silicone embrace you as you fall
Then bounce and land you let your brothers crush you to the wall
- V3 I would choose my own religion and worship my own spirit
But if he ever preached to me I wouldn't want to hear it
I'd drop him, a forgotten god, languishing in shame
And then if I hit stormy seas I'd have myself to blame
- V4 4X If you can heal the symptoms but not affect the cause, if you can heal the symptoms...

Squirming Coil

Phish

V1 The squirming coil of sunset I keep within my reach
Tried yesterday to get away and hitchhiked to the beach
I saw Satan on the beach trying to catch a ray
He wasn't quite the speed of light and the squirming coil
It got away, It got away (4x)

Interlude 1

V2 The muscles flex the mother's ring, she fastens children to her king
And sends him down the crooked street, When he returns, the birth's complete
Jimmy holds the Tannis root, the forest's tasty nectar shoot
The sun tips off the monarch's suit from sequined sash to shiny boot
"I'd like to lick the coil some day, like Iccarus, who had to pay
with melting wax and feathers brown, he tasted it on his way down"
Stun the puppy! Burn the whale!
Bark a scruff and go to jail! Forge the coin and lick the stamp!
Little Jimmy's off to camp

Don't want to be a writer, with my thoughts out on the page
Don't want to be a painter, 'cause everyone comes to look
Don't want to be anything where my life's an open book
A dream, it's true, but I'd see it through.
If I could be (if I could be) wasting my time with you.

V2 Don't want to be a farmer, working in the sun,
Don't want to be an outlaw, always on the run,
Don't want to be a climber, reaching for the top,
Don't want to be anything where I don't know when to stop.
A dream, it's true but I'd see it through.
If I could be (if I could be) wasting my time with you.
